LONDON.

His Majeſty's moſt gracious SPEECH, to both Houſes of Parliament, on Thurſday the Tenth Day of January, 1765.

My Lords, and Gentlemen,

THE ſituation of affairs, both at home and abroad, has enabled me to allow you that receſs, which has been uſual in times of public tranquility.

I have now the ſatisfaction to inform you, that I have agreed with my good brother the King of Denmark, to cement the union which has long ſubſiſted between the two crowns, by the marriage of the Prince-Royal of Denmark, with my ſiſter the Princeſs Caroline-Matilda, which is to be ſolemnized as ſoon as their reſpective ages will permit.

I obſerve with pleaſure, that the events which have happened in the courſe of the laſt year, give us reaſon to hope for the duration of that peace, which has been ſo happily eſtabliſhed, and which it is my reſolution ſtrictly to maintain. The courts of France and Spain have given me freſh aſſurances of their good diſpoſitions. The future quiet of the Empire has been confirmed by the unanimous choice of a ſucceſſor to the imperial dignity; and the peaceable election of the King of Poland has prevented thoſe fatal conſequences, which, upon ſimilar occaſions, have ſo frequently been deſtructive to the repoſe of Europe. I am happy, therefore, to meet my parliament at a time, when no foreign diſturbances interrupt their conſultations for the internal good order, and proſperity of my kingdoms.

Gentlemen of the Houſe of Commons,

I ſhall aſk of you, for the current ſervice of the year, no other ſupplies, than ſuch as are neceſſary for thoſe eſtabliſhments which have already met with your approbation; and I will order the proper eſtimates for this purpoſe to be laid before you.

I muſt, however, earneſtly recommend to you, the continuance of that attention, which you have hitherto ſhewn, for the improvement of the public revenue, and the diminution of the national debt. For theſe deſirable and neceſſary ends, I am perſuaded, that you will purſue every proper meaſure, which the ſtate of my dominions, and the circumſtances of the times, may require.

My Lords, and Gentlemen,

The experience which I have had of your former conduct, makes me rely on your wiſdom, and firmneſs, in promoting that obedience to the laws, and reſpect to the legiſlative authority of this kingdom, which is eſſentially neceſſary for the ſafety of the whole; and in eſtabliſhing ſuch regulations, as may beſt connect and ſtrengthen every part of my dominions, for their mutual benefit and ſupport.

The affection which I bear to my people, excites my earneſt wiſhes, that every ſeſſion of parliament may be diſtinguiſhed by ſome plans for the public advantage, and for their relief from thoſe difficulties, which an expenſive war has brought upon them. My concurrence and encouragement ſhall never be wanting where their welfare is concerned: And I truſt that for the attainment of that great object, you will proceed with temper, unanimity, and diſpatch.

BARBADOS, JANUARY 19, 1765.

By the KING's AUTHORITY.

PUBLIC Notice is hereby given, That the *Commissioners* appointed by his *Majesty* for the Sale and Disposal of *Lands* in the Islands of *Grenada*, the *Grenadines*, *Tobago*, *St. Vincent*, and *Dominica*, are (in Consequence of Resolutions taken at a Board held in Barbados the fifth Day of January, One Thousand Seven Hundred and Sixty-five) about to proceed immediately to the several Islands that are the Object of their Commission, for the more speedy and effectual Execution of his Majesty's Instructions.

That they shall accordingly, in Conjunction with the Governor-General of the *Grenades* and *Neutral Islands*, or in his Absence with the Lieutenant-Governor of each Island respectively, proceed to divide the Islands of *Tobago* and *St. Vincent* into convenient Districts or Parishes, and set apart, in these and the other Islands, such Lands (in the most convenient Situations) as shall be thought most proper for *Fortifications*, *Yards* for the Use of the *Navy*, and other *military Purposes*.

That the said Commissioners shall determine on a proper Situation in every Parish for a *Town* convenient for *Trade* and *Navigation*; such Towns to consist of Lots of different Size and Extent for Houses to which Gardens or Fields will be annexed, not exceeding six Acres, to any one Town-Lot: And that in laying out such Town-Lots, they shall reserve convenient Places for *Wharfs* and *Quays*, and for all other necessary *public Uses*; and reserve in every Parish such *Wood-Lands* as shall seem necessary for the Construction and Repair of *Fortifications* and *public Buildings*, and to prevent that Drought which in these Climates is the usual Consequence of a total Removal of the Woods.

That they shall also trace out the Direction of all great *Roads* in each Island respectively, for the Conveniency of Communication between *Town* and *Town*, and set out *Roads* between the Allotments of Plantation Lands, for the Conveniency of the Purchasers thereof.

That uncleared Lands shall be set apart in each Parish for such *poor Settlers* as shall apply to the Governor-General of the *Grenades* and *Neutral Islands*, or the Lieutenant-Governor of the Island where such Lands lie, for the same.

That the native Caribbees of *St. Vincent* are to continue undisturbed in the Possession of their Cottages and Grounds.

That with respect to the cleared Lands in the Islands of *St. Vincent* and *Dominica*, as the same have been occupied by the *French* in open Violation of the Faith of Treaties made between the Crowns of *Great-Britain* and *France*, and in express Contradiction to the public Orders issued by the Court of *France*; and as no Authority has been given to any of the Governors to make Grants thereof, the Commissioners are forbid to allow of any Establishment of the *French*, in Consequence of the Settlements made by them in the said Islands: But his Majesty has nevertheless been graciously pleased to encourage the present *French* Inhabitants to continue under his paternal Care and Protection, on certain Terms, Restrictions, and Reservations; and the Commissioners accordingly shall and will, with all convenient Speed, proceed to execute his Majesty's Instructions on that Head, as follows:

That is to say, To such of the *French* Inhabitants of the said Islands as shall take the Oath of Allegiance, and make and subscribe the Declaration of Abjuration, Leases shall be prepared and granted by the Commissioners, which shall also pass under the Seal of the Government of *Grenada*, and be registered in the Office of the Secretary of the Island where the Lands lie, of such cleared Lands as were in the Possession of the said *French* at the Time of the Surrender of the Islands aforesaid, and still are in their Possession (together with such small Parcels of contiguous Lands in Wood as may be convenient to the Lessee, and which the Commissioners may think reasonable to insert in such Lease) unless such cleared Lands are found necessary for public Uses; in which Case other Lands shall be allotted them in Lieu thereof, and the full Value and Improvements shall be ascertained, and Compensation made for them in the most fair and equitable Manner,

That such Leases shall be for Fourteen, Twenty-one, Thirty-two, or Forty Years, at the Option of the Lessees; or for Fourteen Years, renewable at the Pleasure of the Lessee, for a Number of Years not exceeding Forty in the Whole: And, in Consideration of which Leases, such Fines and Quit-rents shall be paid down, as are thought proportionable to the Term of Years and Quality of Land.

That the Lands so demised shall not be assignable to any other Person, without a Licence first had from the Governor-General of the *Grenades* and *Neutral Islands*, or Commander in Chief for the Time being, and approved by the *Lords Commissioners* for *Trade* and *Plantations*.

That the Lessee shall reside one Half of the Year in the Island where the Lands lie, and in Cases where Lands were held before the late Peace by several *French* Proprietors jointly, some of whom are since retired from them, they are to be severed into Parts, and Indulgence shewn in the Division to those who are contented to remain and receive their Portions, and who will also enjoy every Advantage that peculiarly belongs to *British* subjects.

That in Case any *French* Inhabitants should rather prefer uncleared Lands in any of the Islands to the cleared Lands on the Terms above-mentioned, uncleared Lands, unincumbered with the Terms of the Lease, shall be allotted them in Lieu thereof by the said Commissioners; and they shall moreover be paid the Value of the Buildings they leave.

That these Provisions shall not however extend to such as occupy more than Five-hundred Acres in the Island of *St. Vincent*, and Three hundred Acres in the Island of *Dominica*: If any such there be, the Commissioners shall reduce their Possessions to those Numbers, and dispose of the Surplus in the same Manner as of Lands not occupied by *French* Inhabitants.

That the Commissioners are *impowered by his Majesty* to determine who are to be deemed *French* Inhabitants, and what Lands they shall be deemed possessed of, within the Meaning of the King's Instructions: That religious Communities are not to be considered as included herein; such Lands as they have been possessed of will be sold for the public Benefit.

That no Grants, Bargains, or Sales whatever, hitherto made (excepting legal Sales in *Grenada* and the *Grenadines*) will be attended to or allowed of, as his Majesty has been pleased to declare that no Authority has been granted to any of his Governors for this Purpose. His Majesty has notwithstanding been pleased to except twenty five Town Lots, consisting of forty Feet in Front, and one hundred and fifty Feet in Depth, granted by Governor *Dalrymple* in the Town of *Charlotteville*, in the Island of *Dominica*: And the Commissioners are directed to confirm these Grants, by giving to the several Grantees Certificates that the said Lots were so conveyed to them; which shall intitle them to Grants thereof under the Seal of the Islands, provided they agree to insert in such Grants the same Conditions as are in all other Grants of Town-Lots.

That with Respect to all Lands in any of the Islands which are the Object of the Commission, and which are not comprised within the above Description of Lands reserved for public Uses; Lands set apart for poor Settlers; Lands which are the rightful Property of the Inhabitants of *Grenada* and the *Grenadines*, or that may be leased out to the *French* Inhabitants of *Dominica*, or *St. Vincent*, or possessed by the native *Caribbees*; they shall be divided into Allotments for Plantations; to consist, in the Islands of *Grenada* and the *Grenadines*, *Tobago*, and *St. Vincent*, of not less than *One Hundred*, nor more than *Five Hundred Acres*; and in the Island of *Dominica*, of not less than *Fifty*, nor more than *Three Hundred Acres* of Land: In doing of which, Care will be taken that each Lot shall have every Conveniency that the Circumstances and Nature of the Ground will admit of.

That the said Town-Lots, and Garden or Pasture Ground, shall be laid out with all convenient Speed, in order that, if uncleared, the Governor-General of the *Grenades* and *Neutral Islands*, or the Lieutenant-Governor of each Island respectively, may dispose thereof to such as apply for them; or, if consisting of cleared Land, that they may be sold, in like Manner as the Plantation Lands hereafter mentioned, by public Auction; subject in either Case to the Conditions, that a Dwelling-house, Shop, Warehouse, or Out-house, shall be erected thereon within the Space of two Years from the Date of the Grant; and a Quit-rent of One Penny Sterling per Foot in Front for the Town-Lot, and Six-pence Sterling per Annum for every Acre of Garden or Pasture Ground: And the Sale and Grants of such Town and Pasture Lots, and also Grants to poor Settlers, shall be irrevocable.

That the Plantation Allotments aforesaid, as well of uncleared Lands as those cleared, which have been occupied by religious Societies, or which, by Reason of the Absence or Refusal of *French* Inhabitants, shall not be granted on Lease in the Manner above directed, shall be put up to Sale, at a Price not less than Five Pounds Sterling per Acre, if the Lands are cleared, and not less than One Pound Sterling per Acre, if the Lands are uncleared; and be sold by public Auction to the highest Bidder, at the general Sale to be held twice in every Year, in the most healthy Seasons, either at *Grenada*, or the Island where such Lands are situated, on the following Terms and Conditions, that is to say:

That no Person shall be permitted to purchase from the Crown, either in his own Name, or in the Name of others in Trust for him, more than Allotments to the Amount of Five hundred Acres in the Island where the Lands lie, or more than Three hundred Acres if in the Island of *Dominica*.

That the highest Bidder for each Lot shall be declared the Purchaser, who shall thereupon pay down twenty per Cent. of the whole Purchase Money, and Six-pence Sterling for each Acre of which his Lot shall consist, to defray the Expence of surveying the same; whereupon he shall receive a Bill of Sale and a Certificate from the Commissioners of his being the highest Bidder; upon producing which Bill of Sale and Certificate to the Governor-General of the *Granades* and the *Neutral Islands*, or Commander in Chief for the Time being, he shall be intitled to a Grant in *Fee Simple* (under the Seal of the Islands) of the Lands by him purchased, and take Possession thereof, such Grant to be registered in the Secretary's Office of the respective Island where the Lands lie.

That in Case of Fraud, Collusion, or other Contravention to the *King's Instructions*, and *not otherwise*, the Grant shall be revocable for the Space of twelve Months from the Date thereof, by the *Lord High Treasurer* or the *Lords Commissioners* of his *Majesty's Treasury* for the Time being; but, if not revoked, within that Term, the same shall then be absolute; if revoked, Notice thereof shall be immediately given, and the Money returned to the Purchaser with the usual Interest of the Island; and Compensation also made for all Sums of Money which shall *bona fide* have been laid out for the Clearing, Improving, or Building on any Part of the Lands contained in such Grant, to be ascertained by Arbitration, and the Lands shall be again put up to Sale.

That of the Purchase Money remaining due, ten per Cent. more than the twenty per Cent. above-mentioned, shall be paid within the first Year after the Date of the Bill of Sale, ten per Cent. the second Year, and twenty per Cent. every successive Year, untill the whole shall be paid: But, in Default of any of the said Payments, the Lands shall be liable to be forfeited, and again sold, in order that the King may be first paid, and the Residue shall be the Property of those before intitled to it.

That from twelve Months after the Date of the Grant, the Purchaser shall clear away at the Rate of five Acres in the Hundred annually, until one Half of the cultivable Land shall be cleared, under a Penalty of Five Pounds Sterling per Annum for every Acre not cleared, in Pursuance of this Condition.

That for every hundred Acres of cleared Land the Purchaser is or shall be possessed of, he shall keep thereon one white Man, or two white Women, under the Penalty of Forty Pounds Sterling for every white Man, and Twenty Pounds Sterling for every white Woman that shall be wanting; and pay an annual Quit-rent of Six-pence Sterling per Acre on whatever cleared Land he has purchased, or shall clear in Pursuance of the Conditions required.

That a Reservation shall be made to the King of all Gold or Silver Mines which are now, or may hereafter be discovered in the said Islands.

That the first Sale shall commence in the Island of *Tobago* on Tuesday the 14th Day of May next.

That Tuesday, the 28th Day of May next, shall be the first Day of Sale in the Island of *St. Vincent*.

That Tuesday the 11th Day of June next shall be the first Day of Sale in the Island of *Dominica*.

That each Sale shall be continued every successive Day, until the same shall be compleated.

That the Commissioners in the mean Time shall proceed to settle Terms with the *French* Inhabitants of *St. Vincent* and *Dominica*, and execute Leases with them, as directed by his Majesty.

That all Payments of Fines for Leases, as well as of purchase Money, shall be made conformable to the King's Instructions to the Receiver, in good Gold Specie, to be taken by Weight, at the Rate of three Pounds, eighteen Shillings and Three Pence Sterling per Ounce.

That Advertisements descriptive of the Situation and Soil of each Allotment shall be published as soon as possible; and,

That although no particular Description can yet be given of the Land to be sold at the first Sale in each Island, yet, in general, it may be proper to inform the Public, that the Lots to be sold in *Tobago* will lie chiefly in the Neighbourhood of *Great Courland Bay*, *Man of War Bay*, *Great Rockley Bay*, *Cochongras Bay* (now called *Barbados Bay*) and *Little Hog Bay*.

That Towns shall be laid out in each of these Bays with all convenient Speed.

That the Sale in *St. Vincent* shall consist of uncleared Lands, as well as the valuable Tracts of cleared Land that may have been occupied by religious Societies, or not granted on Lease, by Reason of the Absence or Refusal of the late *French* Possessors: And

That Towns shall be laid out contiguous to the *Bay of Washigunry* and *Barrowalley*, or elsewhere, as may be thought expedient.

That the Sale in *Dominica* will consist of uncleared and valuable cleared Lands as has been explained concerning *St. Vincent*, including the Estates possessed by the Society of *Jesuits*, near *Grand Bay*, so well known for their superior Excellency and Improvements: And

That in particular a Town, and Plantation Allotments, shall be laid out, at *Prince Rupert's Bay*.
